# CHE STORIA AUMENTATIVA!

Oggi Gianluca ha passato una brutta

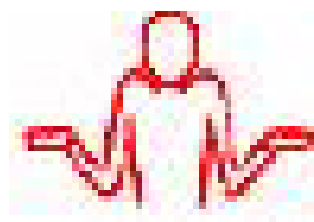

giornata.

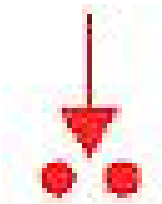

È annoiato

e

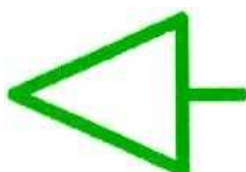

NON SA

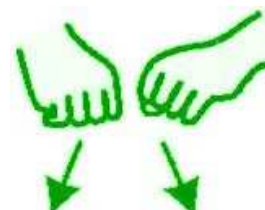

che

fare.

Allora

monovendolo

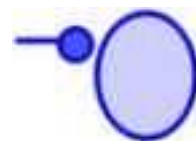

il joystick

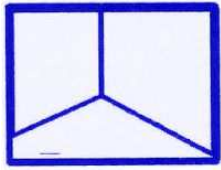

della carrozzina

corre

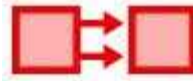

nella sua

stanza

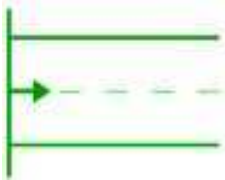

e

per

rilassarsi

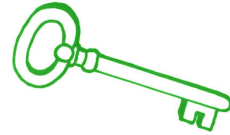

Comincia

a

leggere

Aprire

e

ad

ascoltare

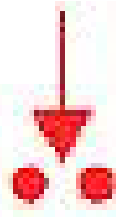

i Litfiba

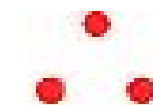

perché

ha imparato

che

cosi

rieste

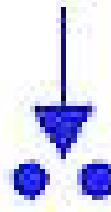

a

controllare

la rabbia.

Che

storia!

# AMARCORD, AMASCORD

Mi ricordo  
Mi scordo

351.

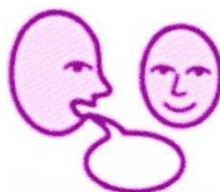

Mi ricordo che leggere aiuta

tutti a crescere.

352.

Mi ricordo che comunicare è vita.
